Standard Can Service is being phased out as a service offering due to the Company wide transition to fully automated routes. Standard Can Service is not available to new or existing customers who are not currently subscribed to the service. Current subscribers to Standard Can Service will be allowed to continue the service until their residential route is scheduled for transition to automation. Standard Can Service customers will be notified in advance of their route's scheduled transition date. Standard Can Service customers will be required to migrate to Roll Cart Service as described in this tariff.
